The Cedarville Herald.

TWENTY-NINTH YEAR NO. 7

CEDARVILLE, OHIO, FRIDAY, FEBRUARY 9, 1906.

PRICE \$1.00 A YEAR.

WILL NOT CHEAP ENTER. FARES.

Columbus, Feb. 8--(10 p. m. Special to Herald)--Hon. George Little of Greene county informs the Herald representative that he will not enter the congressional fight under the present circumstances. Two conventions and a personal fight between two of the candidates is any thing but an inviting contest. With one convention Mr. Little would have probably been a candidate but he would not ask for a nomination that would have to be fought in the convention, boards of elections, and highest courts.

WEATHER REPORT.

Rainfall, 2.98 inches; wind direction, southwest; per cent sunshine, 41; clear days, 7; cloudy, 11; rains, 4; number of snows, 4; depth of snow, 8 inches; range of temperature, 10 degrees; average temperature, 8 degrees; highest temperature, 70 degrees; lowest temperature 2 degrees; January 1906 was 9 degrees warmer than January 1905. There was one thunder storm during the month. The ground hog prognosticates six weeks more winter. Samuel Creswell, Observer.

WILL HAVE SALE.

Mr. J. W. Pollock is arranging for a sale of fine blooded Polled Durham cattle on March 7. At this time he will sell his farm implements, horses, etc. He has rented his farm and will move to town. He is getting out a catalogue of his cattle which will be completed by the Herald press about the 15th or 20th of this month.

Columbus, Feb. 8--(10 p. m. Special to Herald)--By the signature of Governor John M. Pattison to the Freiner two-cent bill one of his promises to the people of Ohio have been made good. The Senate today passed the Freiner bill by a unanimous vote. A few minutes afterwards the Governor had signed the measure which will give the people two-cent fares March 10.

CHANGES LOCATION.

The editor of the Herald is in receipt of a letter from Prof. J. Robb Harper, former editor of this paper, who for several years has been professor of science in the High School at Superior, Wisconsin. He informs us that he resigned his position in the schools at Superior to accept a more lucrative one at Wilmette, Ill., a suburb of Chicago. Prof. Harper states that his laboratories are well equipped having most every thing in that line that could be needed. The letter states that Mrs. Harper arrived there last Saturday. Prof. Harper also states that in all their wanderings, he and his wife, both of whom were former professors in Cedarville college have not lost interest in the college and Cedarville people. The Herald wishes Prof. Harper much success in his new location.

Merely a few hints to any lawmaker whose railroad pass has been cut off. Showing a few stunts he might do in order that he might get a life pass.

PROGRAM OF ROAD MEETING.

The following interesting program has been prepared by the Greene County Good Roads Association for the meeting at Yellow Springs, February 15:

Opening address by Chairman of Greene County Good Roads Association, T. L. Magruder.

"Proposed Legislation," address by A. M. Mumper of Clark County, and Hon. J. B. Cummings of Xenia.

"History and Construction of Greene County Roads," addressed by R. L. Gowdy, Xenia.

"Experience in Road Building as an Official," by John B. Stevenson, former County Commissioner.

"Practical Road Building," G. A. McKay, County Surveyor.

"Good Road Construction, as Viewed by a Citizen," A. H. White. Hon. Samuel Houston, State Highway Commissioner, is expected to be present at the meeting and will deliver an address.

All the subjects will be open for discussion at the conclusion of each address.

The Ohio Live Stock Association of which Mr. O. E. Bradute is president will meet in Columbus next Wednesday and Thursday. A good program has been arranged.

REGULAR MEETING OF COUNCIL.

The regular meeting of council was held Monday evening, February 6, at 8 o'clock.

There was nothing out of the regular routine of business to transact other than to consider a communication addressed to council by Mayor McKee and bills to the amount of about \$350.

The reports of the different committees were read and approved. There was some discussion about a bill of Mr. Jacob Siegler for services as treasurer but after the matter was talked over the bill was allowed.

The Mayor's communication to council asking this body to take up the plan of providing some system whereby the night watchman could register his rounds, was taken up.

Mr. A. Z. Smith was present and explained the system used by the Hagar Straw Board and Paper Company. The clock and the stations, fifteen, cost about \$55. The dial on the clock shows to the minute when the watchman registered. A committee of three was appointed to look into the advisability of purchasing such a system. The Mayor named Weimer, Gillaugh and Walker.

In his communication the Mayor also asked that some protection be provided by council to take care of the corporation books and papers.

The village for some time has had the use of the Building & Loan note but this has been taken out within the past few days. It is expected that a vault can be put in by utilizing part of the lower part of the bell tower. Mr. W. J. Wildman has offered to sell the steel door and combination lock in the building owned by the bank on South Main Street for \$25. A committee consisting of Andrews, Shrodes, and McKee was named to investigate and report.

A vote of thanks was extended Mr. A. Z. Smith for the information he had given council on the watchman's system.

R. W. Kennon was re-appointed by Mayor McKee as night watchman, council confirming the appointment.

Y. M. C. A.

The colored Young Men's Christian Association will be addressed by Dr. J. O. Stewart Sunday evening at the A. M. E. church four o'clock. All young men are invited.

Frightfully Burned.

Chas. W. Moore, a machinist, of Ford City, Pa., had his hand frightfully burned in an electrical furnace. He applied Bucklen's Arnica Salve with the usual result: "a quick and perfect cure." Greatest healer on earth for Burns, Wounds, Sores, Eczema and Piles. See at all Drug Stores.

CHARLES Q. WILL HAVE CONVENTION.

A dispatch states that C. Q. Hildebrand was in Columbus a few days ago consulting with Hon. George Little as to the congressional situation in this district. The talk has been that Mr. Little might be a candidate and is judged that Hildebrand wanted to make terms, fearing Mr. Little's strength.

Whatever was discussed at this meeting resulted in little being agreed upon, neither party having anything to say. It is taken for granted that Mr. Little held aloof from the Clinton county man as the latter announced that his committee would call a convention within a few days.

Both Senators Foraker and Dick have been appealed to to settle the matter but little is expected of them in such a fight factually. Fearing that he could not be nominated in anything but his own convention, Mr. Hildebrand has called a convention for Wilmington on March 15.

The next number on the lecture course comes February 22, when the noted lecturer, L. B. Wickersham, will give one of his popular lectures.

DATES FOR COUNTY FAIRS.

Springfield, O., Feb. 5--The Coney Island Fair Association of Hamilton County was admitted to membership in the Madison and Miami Valley Fair Circuit at its annual meeting in this city today. The other business transacted was chiefly that fixing of dates for the county fairs during the summer. These dates are as follows:

State Fair, Columbus, September 3, 4, 5, 6, 7; Hamilton County, Cincinnati, August 14, 15, 16, 17; Xenia, August 6, 7, 8, 9; Coney Island, Cincinnati, August 21, 22, 23, 24; Urbana, August 14, 15, 16, 17; Springfield, August 21, 22, 23, 24; Bellfontaine, August 21, 22, 23, 24; London, August 28, 29, 30, 31; Kenton, August 28, 29, 30, 31; Dayton, September 3, 4, 5, 6, 7; Eaton, September 11, 12, 13, 14; Marysville, September 11, 12, 13, 14; Richwood, September 18, 19, 20, 21; Troy, September 17, 18, 19, 20, 21; Hamilton, October 2, 3, 4, 5; Washington, C. H., 11, 12, 13, 14.

The old officers, all of whom have served continuously for five years, were re-elected. They are: President, C. H. Ganson, Urbana; vice president, W. L. Tenney, Troy; secretary, J. W. Crowl, Urbana; treasurer, W. J. Ferguson, Dayton; executive committee, L. W. Kilgore, London; Daniel S. Ulrick, Ingomar; R. B. Grieve, Xenia.

Ottawa County may ask for admission to the circuit and it was voted to admit it, if the request will be preferred. A protest was made against the Foster Bill now before the Legislature, which provides that fairs shall devote 20 per cent of the money received by taxation to the improvement of the poultry industry. The next meeting will be held in Dayton.

WEATHER OBSERVER.

Mr. Samuel Creswell, of near Cedarville, who furnishes us with monthly weather reports, has been observing the weather and keeping a record for many years, being at one time a part of the U. S. weather bureau, that is he furnished the government reports from this locality and also the state. Mr. Creswell is quite a remarkable man in some respects. He is active and well able to look after himself although far advanced in years and was in Penia a few days ago passing from one point to another just like a young person, manifesting a keen relish for meeting old friends and acquaintances. Mr. Creswell takes pride in the unusual privilege of living on the place where he was born 87 years ago, and has seen the changes that have taken place in this county from the days when Indians were plentiful here, down to this time. So long a life on one spot is seldom given to anyone. —Gazette.

SUES GAS COMPANY.

Mr. T. B. Meekling has brought suit against the Buckeye Gas Company for damages to the amount of \$378.35. The company laid its pipe line last summer across Mr. Meekling's farm.

NEW LAWS FOR OHIO.

The Senate has passed a bill providing for the erection of a home for the crippled and deformed children. An appropriation of \$50,000 is asked and a commission of three to name the site. The commission is to be named by the governor.

Hill of Columbiana wants a law to regulate the observance of Memorial or Decoration day. There is to be no base-ball, theaters, open saloons, etc. Village councils can appropriate money to be expended under the direction of a committee of ex-soldiers for the observance of the day.

Senator Huffman offered his bill Monday to fix sleeping car and parlor car rates at \$1.00 each seat or berth, the upper berth to be remain up if unsold. This bill will be fought with greater tenacity by the Pullman company than was the two-cent rate by the railroad company. Usually a berth for a night costs about \$2.50.

The Senate on Tuesday defeated the Little substitute for the Kealy measure to investigate Cincinnati. The House passed the measure but the Senate, which is Democratic, would not pass the measure until it was known who the President of the Senate would appoint on the committee. The Democrats were afraid that the bi-parlisan committee would make a whitewash investigation.

The "search and seizure" bill, an Anti-Saloon measure, was passed by the House on a vote of 104 to 14. Probate and Common Pleas courts have final jurisdiction in all cases. Property in a "dry" territory can be searched and the finding of liquor to be evidence in the prosecution. Fines of \$50 to \$100 for the first offense and \$200 to \$500 for the second offense. —Druggists must keep a record of all liquor sales. Druggists convicted of this law can have their pharmacist licenses revoked for two years. Physicians violating the law are barred practice for two years.

(Concluded on Third Page.)

MRS. MARY GEE.

Mrs. Mary Gee died Wednesday night at the home of her brother, Mr. J. A. Teas after an illness covering several weeks.

Mrs. Gee has been a resident of Cedarville for many years, but since her serious illness has been at her brother's home south of town.

The deceased was 72 years of age and leaves but one child, Mrs. Mary Armstrong of Morning Star, Iowa, who has been here during a part of her illness.

The funeral takes place from the home of Mr. Teas this afternoon, Friday, at 1 o'clock.

Burial at the cemetery north of town.

COURT NEWS.

Judge Shoup was engaged on Saturday morning in hearing the motion made to remove Mr. John Finney as executor of the estate of James Miller, who died about twenty years ago, his will providing that his widow should receive the rents and profits of the farm throughout her life time and at her death the church and Bible Society of the Reformed Presbyterian church of Cedarville, are to become beneficiaries to the extent of \$5000. The farm consists of 140 acres in Miami township and is now occupied by the aged widow of Mr. Miller, now past eighty years of age, and her maiden sister, Mr. John Finney, the executor is a brother. The church and Bible Society ask the removal of Mr. Finney for the alleged reason that he is allowing the estate to depreciate in value and that he refuses to make an accounting to the court. At the hearing on Saturday morning Judge Shoup stated that there had been no report made by him to the court of his trust for a period of thirteen years and he sustained the motion for the removal of Mr. Finney. The matter will be further contested in the Court of Common Pleas.—Gazette.

ALCOHOL FOR FUEL.

The National Grange has put its legislative machinery in operation in support of the bill now pending in Congress for the removal of the tax on denatured alcohol. The farm population has been fairly well informed as to the possibilities opened up by the use of alcohol as fuel, as it touches agriculturists on both sides. The manufacture of alcohol for fuel would create large additional demand for the grains and vegetables from which this product may be cheaply distilled, and on the other hand would put a fuel in the hands of farmers for power generation that is not controlled in price by a trust. It has been abundantly proved that alcohol may be denatured—rendered unfit for beverages—by the addition of a number of substances. This fact has been thoroughly demonstrated in European practice, so that objection can no longer be made on that score. It remains to be seen how effective the opposition to this bill will be made by the Standard Oil interests.

The Yellow Fever Germ has recently been discovered. It bears a close resemblance to the malaria germ. To free the system from disease germs, the most effective remedy is Dr. King's New Life Pills. Guaranteed to cure all diseases due to malaria, poison and constipation. 25c. at all drug stores.

HOW IS THIS.

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure. P. J. Cheney & Co., Toledo, O.
We the undersigned, have known E. J. Cheney for the last 15 years, and believe him perfectly honorable in all business transactions and financially able to carry out any obligations made by his firm. Walding, Kinnam & Marvin, Wholesale Druggists, Toledo, O.
Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system. Testimonials free for 75c per bottle. Sold by all druggists. Take Hall's Family Pills for constipation.

—FOR SALE: A 4 acre farm close to Cedarville with good house and barn. Also a fine stock farm of 200 acres with a \$2,000 frame dwelling and good \$500 tenant house. 2 good barns, 800 rods new tile ditch, splendid fences, four and one half miles from Mechanicsburg, O., 13 miles from London, 13 1/2 miles from Springfield, 2 1/2 miles from Catawba Station and elevator on Big Four railroad, 5 miles from the Columbus, London and Springfield traction line. All for \$2500 per acre. Smith & Clemans.

Luckiest Man in Arkansas.

"I'm the luckiest man in Arkansas," writes H. L. Stanley, of Bruno, "since the restoration of my wife's health after five years of continuous coughing and bleeding from the lungs; and I owe my good fortune to the world's greatest medicine, Dr. King's New Discovery for Consumption, which I know from experience will cure consumption if taken in time. My wife improved with first bottle and twelve bottles completed the cure." Cures the worst coughs and colds or money refunded. At all druggists, 50c and \$1.00. Trial bottle free.

—PUBLIC SALE: can never be well advertised unless you have a bill that will stand the weather. Many farmers, in fact most of them have learned by experience that the best bill on the market is the one put out by the Herald. The five years that we have used this celebrated WATERPROOF stock, we have not one complaint. Other houses often try to influence the customer by taking the "just-as-good" kind, knowing that the Herald has exclusive rights. Beside the "quality" of the stock, we give a free notice of sale, not a condensed report, up until day of sale.

Every homeseeker should know that if they will buy Defiance Cold Water Starch for laundry use they will save not only time, because it never sticks to the iron, but because each package contains 10 oz.—one full pound—while all other Cold Water Starches are put up in 2 1/2 pound packages, and the price is the same, 10 cents. Then, again, because Defiance Starch is free from injurious chemicals. If four grocers tried to sell you a 12oz. package it is because he has a stock on hand which he wishes to dispose of before he puts in Defiance. He knows that Defiance Starch has printed on every package in large letters and figures "It cures Defiance and saves much time and money and the annoyance of the iron sticking." Defiance never sticks.
